Dear Parents and friends of the Nursery,

St. John's nursery policy is if you use it, you must work a shift to help staff it. We have had a great deal of babies to be born so it is necessary to add additional hands each week. Below is the rotation through April 2012. Plan to be in **the nursery at 10:45am**. Please check with the nursery worker to make sure that all rooms are covered.

**Please remember that we are counting on EVERYONE to show up** or find a substitute so as always, if you are unable to work on your assigned week, please swap with someone on the rotation list or another adult that would like to fill in and contact the church office (547-7538) by Wednesday prior to your assigned day to notify Joy of the change.
