St. John's Kid's Choirs are divided into 3 separate choirs by age. The following are this year's choirs:

SonShine Kids (3 years old – PreK)

Celebration Singers (K-2nd grade)

LifeSong (3rd – 5th grade)

Choir parents only:

*** The children's choirs will only be successful with the help and support of the parents. As we get started working out the details of each choir, we will frequently call on you to help organize, transport children, or just be here to help the music directors during rehearsals. Please circle below any activity that you would be willing to help with. Thank you ahead of time for helping to make a great children's choir program at St. John's UMC.
